Marci gives out special treats to her trick-or-treaters on Halloween.

Ghostly Greetings!

Marci Arthur gives out one-of-a-kind treats at her house on Halloween. Instead of candy, she gives out fresh sweets made right at her shop, Truffles & Trifles! This year's spooky treats included skeleton cookies and monster cupcakes. If you're in College Park on Halloween next year, be sure to stop by Marci's house on Interlaken Road!
